

REVIDA® FACIAL RESURFACING MENU

Doctor-delivered fractional, full-field, and dual-depth hybrid protocols tailored to skin architecture and downtime capacity.

1. REVIDA Refresh 1 SESSION £495 LIGHT FRACTIONAL EPIDERMAL POLISH ("COOLPEEL-STYLE") Gently clears dead superficial keratinocytes and refines enlarged pores. Ideal for early dullness, texture refresh, or seasonal maintenance across all phototypes. Anaesthesia: Topical cream included Downtime: 1–2 days (mild pinkness) Courses: 3 Sessions: £1,336 (Save 10%) 4 Sessions: £1,683 (Save 15%)
2. REVIDA Renew 1 SESSION £895 MID-DEPTH FRACTIONAL PAPILLARY DERMAL REJUVENATION Targets early fine lines, superficial sun damage, and textural crepiness by stimulating active pro-collagen synthesis in the papillary dermis while leaving tissue bridges intact. Anaesthesia: Topical cream (Nerve blocks: +£95) Downtime: 3–5 days Courses: 3 Sessions: £2,416 (Save 10%) 4 Sessions: £3,043 (Save 15%)
3. REVIDA Restore 1 SESSION £1,195 DEEP FRACTIONAL DERMAL REMODELLING & STRUCTURAL TIGHTENING Delivers multi-stacked fractional columns into the reticular dermis to contract deep lines, etched creases, and laxity. Produces genuine structural tightening without full-field downtime. Anaesthesia: Full regional nerve blocks included Downtime: 5–7 days Courses: 3 Sessions: £3,226 (Save 10%) 4 Sessions: £4,063 (Save 15%)
4. REVIDA Revive 1 SESSION RESET £1,950 100% CONFLUENT FULL-FIELD EPIDERMAL RESET (DOT OFF MODE) Unlike fractional lasers that skip 80–85% of tissue, Revive delivers a continuous fully ablative sweep across 100% of the facial surface with fractional neck feathering. Addresses solar lentigines, actinic bronzing, and roughness. Anaesthesia: Full regional nerve blocks included Downtime: 6–7 days (uniform bronzed peeling) Target: Complete canvas reset
5. REVIDA Revive-FX SINGLE-SESSION HYBRID £2,650 CONSOLIDATED DUAL-DEPTH RESET (DERMAL REMODELLING + CONFLUENT SWEEP) Engineered for patients requiring both dermal collagen stimulation and 100% surface clarity within a single downtime window. Pairs Renew fractional remodelling with an immediate fully ablative surface sweep. Anaesthesia: Full regional nerve blocks included Downtime: 7–8 days Benefit: Deep firming + surface reset in 1 appointment
6. REVIDA Revive-FX-Duo 2-STAGE PROGRAMME £2,950 MAXIMUM CUMULATIVE DUAL-DEPTH TRANSFORMATION (2 SCHEDULED VISITS) Delivers maximum uncompromised energy across two visits spaced 3–6 weeks apart. Stage 1: Full-Face deep fractional Restore (£1,195 value). Stage 2: Full-Face confluent fully ablative Revive (£1,950 value). Upfront package saves £195. Anaesthesia: Nerve blocks included for both visits Downtime: Stage 1: 5 days Stage 2: 6–7 days Benefit: Phased, lower-stress healing

TOP-TIER SURGICAL & COMBINATION FLAGSHIPS

Pinnacle multi-pass fully ablative facial procedures and non-surgical eyelid blepharoplasty alternatives.

REVIDA Restore Visage**£4,145****DEEP FRACTIONAL FACE + SURGICAL FULL-FIELD UPPER & LOWER EYELIDS**

For patients presenting with significant eyelid hooding, lower lid laxity, and crow's feet who demand surgical eye rejuvenation, but prefer fractional recovery on the face. Face receives deep fractional Restore; orbital and eyelid skin receives surgical full-field ablation under intraocular metal eye shields.

Anaesthesia: Regional nerve blocks & corneal anaesthetic drops included **Downtime:** 6–8 days

Outcome: Restorative non-surgical eyelid lift

REVIDA Resurface (Base Face)**SURGICAL FLAGSHIP****£4,995****MULTI-PASS FULLY ABLATIVE SURGICAL CO₂ RESURFACING**

The gold standard in cutaneous laser surgery. Continuous multi-pass full-field ablation across the entire face removes decades of solar damage, eliminates deep static creases, and triggers profound dermal contraction. Subunit feathering across the jawline assists blending into untreated neck tissue.

Anaesthesia: Comprehensive regional nerve blocks included **Downtime:** 10–14 days **Longevity:** Multi-year reset (5–10+ years)

REVIDA Resurface 360**SURGICAL FLAGSHIP + FRACTIONAL EYELIDS****£5,595****MULTI-PASS SURGICAL FACE + FRACTIONAL UPPER & LOWER EYELID TIGHTENING**

Combines the dramatic lifting power of multi-pass full-field facial resurfacing with targeted high-intensity fractional eyelid tightening (REVIDA Lid-Lift+). Tightens peri-orbital crepiness while delivering maximum facial transformation.

Anaesthesia: Regional nerve blocks included **Downtime:** 10–14 days **Package Saving:** Saves £95 vs standalone sum

REVIDA Resurface Visage**THE ULTIMATE TRANSFORMATION****£7,495****MULTI-PASS SURGICAL FACE + FULL-FIELD EYELIDS + FRACTIONAL PALPEBRAL SKIN**

Our most complete non-surgical facial and peri-ocular transformation. Multi-pass full-field facial ablation seamlessly integrated with full-field surgical eyelid blepharoplasty-alternative resurfacing with intraocular corneal shields. Treats every major aesthetic subunit of the central face and eyes in a single operation.

Anaesthesia: Complete regional nerve blocks & corneal shields included **Downtime:** 10–14 days

Package Saving: Saves £450 vs component sum

THE HIGHEST STANDARDS & AFTERCARE INCLUDED

All upper-tier surgical procedures (Restore Visage, Resurface, 360, and Visage) include doctor-administered facial anaesthetic nerve blocks, prophylactic oral antivirals and antibiotics, sterile chilled hemostatic compresses, specialized take-home barrier wound balms, and priority video call access to Dr Bradley Tomkins throughout your recovery.
